VOLUNTARY THROUGH-CARE GRANT FUND	5.00pm on Monday 10th June 2024	LAUNCH EVENTS - COMMISSIONING OPPORTUNITY Community Justice Scotland (CJS) has been conducting a review into the current operation and demand for voluntary throughcare services and in September 2023 provided the options and our recommendation to Scottish Ministers as to the scale and type of such services that the Scottish Government should grant fund in the future. After consideration, the Cabinet Secretary for Justice and Home Affairs has indicated her preference for a single, national throughcare and resettlement service provided through a partnership model to be commissioned. It is intended that this future service will commence from 2025/26 and the commissioning process will be led by CJS. The amount of grant funding available will be £5.3M, subject to Parliamentary approval of future budgets.

The purpose of the grant fund is to establish a national partnership of voluntary sector organisations to provide throughcare support to people leaving prison after a prison sentence of less than four years or those leaving prison after a period of time spent on remand. The partnership will offer needs lead and person centred support to people leaving prison, and will provide an initial offer of resettlement support upon release from prison with the option of providing more intensive support to those who need it for up to 12 months. The support should be available to everyone leaving prison, regardless of age or gender, and should be available across all of Scotland.

The current services provided by the Public Social Partnerships will continue to be provided until the new service is commenced.

The CJS commissioning team are hosting a number of grant launch events throughout March to provide more detail on the grant process, answer any questions and facilitate partnering between third sector organisations. Please see attached for further information and to access Eventbrite links for these events. We would be grateful if you could share the information attached with your networks and/or any third sector partners you feel it would be of interest to in order they can join one of the launch sessions if they are interested in applying for funding.

Grant Process Timeline:

- Applications for the grant fund will open from 12.00pm on Monday 15th April 2024 and you will be able to find the application forms and all the supporting information on the CJS Website when they are published.
- Applications will close at 5.00pm on Monday 10th June 2024.
- Applications will be assessed during Summer 2024 and we hope to notify the successful partnership in early September 2024, pending a final decision to award funding by the Cabinet Secretary for Justice and Home Affairs.

If you have any questions in the meantime please contact one of the team at commissioning@communityjustice.scot
