

Form J: Challenge Certificate Request Form

Those taking part in the Challenge event (as listed below) must have done so under the ethos of volunteering as defined below:

Volunteering has three clear characteristics which must be present and respected in all cases: Volunteering is a free will activity. It must not be undertaken through coercion and under no circumstances can it be mandatory; It is not undertaken for financial gain. Out with reasonable expenses there must be no financial transaction to encourage someone to volunteer; It is a public and civil good undertaken for the benefit of the community, society at large or an individual other than the volunteer.
